Greystone Summit is Knoxville's most desired apartment community currently listed in the national Elite 1% ranking by J Turner Research. Enjoy the highest standard of living without the responsibility of home ownership. These elegant 1, 2 and 3 bedroom apartment homes are styled with modern features such as 9 ft ceilings and double crown molding. Attention to planning and detail are evident in these apartment homes featuring granite countertops, stainless steel appliances, and hardwood inspired plank flooring. Specialty features such as built-in desks, custom cabinets, and stand up shower and garden tub in master bath is included in select apartment homes. Conveniently located minutes from Turkey Creek and Interstate 40, our community is easily accessible to everything in popular West Knoxville. With a private gated entrance, resort style swimming pool and cabana, and 24-Hour Fitness Center, Greystone Summit is the definition of sophisticated charm and luxury living.
