Greystone Pointe, West Knoxville's newest apartment community, is now leasing! Enjoy the highest standard of living without the responsibility of home ownership. These elegant 1, 2 and 3 bedroom apartment homes are styled with modern features such as Wi-Fi enable thermostats, 9 ft ceilings and double crown molding. Attention to planning and detail are evident in these apartment homes featuring quartz countertops, stainless steel appliances, and hardwood inspired plank flooring. Specialty features such as built-in desks, double sinks, and stand up shower and garden tub in master bath is included in select apartment homes. Conveniently located minutes from Turkey Creek and Interstate 40, our community is easily accessible to everything in popular West Knoxville. With a private gated entrance, resort style swimming pool and cabana, and 24-Hour Fitness Center, Greystone Pointe is the definition of sophisticated charm and luxury living.
